### Why Support Lutheran Family Services?

LFS places the people we serve at the center of their care as experts in their own experience, effectively delivering health and human care that meets the needs of the individuals and communities we serve.

We take pride in responding to the needs of each individual community through a holistic, client-centered approach for all. LFS serves thousands of individuals each year through dozens of programs, focused on children, community, new Americans and behavioral health.

The support of Corporate Impact Partners makes it possible for LFS to serve our communities for the well-being of all people.

Tommie Frazier Assistant Vice President of Development Tommie.Frazier@OneLFS.org

# Why be a Corporate Impact Partner?

A Corporate Impact Partnership is a mutual relationship that benefits your business, your employees and your brand, all while directly impacting the families we serve each day.

As a Corporate Impact Partner, you can look forward to amazing experiences with LFS.

- Brand exposure at multiple events and in publications throughout the year.
- Engage your colleagues and employees in the causes and initiatives that speak to you and your organization.
- Build relationships with fellow Corporate Impact Partners.
- Strategically and conveniently plan your philanthropic giving through LFS for the entire year.

## What is the difference between a Corporate Impact Partnership and sponsoring an event?

Corporate Impact Partnership recognition is separate from individual event sponsorships. Your Partnership includes recognition at each of our major LFS events.

### **Rally4Kids**

Held the first week of March, this signature fundraising event features guest entertainment, dinner, a live auction, games and prizes. Proceeds support our dozens of programs, focused on children, community, new Americans and behavioral health.

### **Fremont Family Friends**

In 1892, LFS was founded as an orphanage in Fremont. Each summer, Fremont Family Friends celebrates our founding city and helps us empower families toward self-sufficiency.

### **Omaha and Lincoln Golf Outings**

Tee off with us at two incredible golf events! Our fall golf outings in Omaha and Lincoln provide a fun team-building exercise that supports the services in their local communities.

Regardless of the Corporate Impact Partnership or event sponsorship level you choose, we are **One LFS**.

All events support the programs and services we provide to build and strengthen individual, family and community life.
