

Sliding Fee Scale

This location of Lutheran Family Services (LFS) is a Certified Community Behavioral Health Clinic (CCBHC). **No one is turned away based on ability or inability to pay.** Insured clients agree to access their benefits. For those who are uninsured, we offer a sliding scale based on income, family size and services needed. Payment is due at the time of service.

How to use the sliding scale:

- Find your family size on the left column.
- Follow that row to the right until you see your annual income.
- Follow that column down to the service you are accessing. This is your obligation today.
